

The 2007 HROA Europe Awards Welcome Invitation

RICHARD J. CRESPIN
Global Executive Director, HROA

Dear Colleagues,

On behalf of the Trustees of the HROA and the entire HROA Europe Chapter, it is my pleasure to welcome you to this year's HROA Europe Awards Program™. As in years past, this event represents the pinnacle of our industry's year – an opportunity for us to come together and recognize excellence. Excellence in performance. Excellence in service. Excellence in vision. And excellence in advancing the state and practice of HR Transformation in Europe. This year's program will celebrate our achievements and bring us together as an industry.

Last year's award winners represented our very best. Selected by their peers and voted on by the membership, our award winners represent us. They represent the very finest our industry has to offer. I know this year's winners will do the same. I look forward to honoring their achievements with you at the Hotel Conrad, a fitting setting for such a prestigious event.

Throughout this year, your Association has been hard at work advancing and accelerating the state of our industry. Through the work of your Association, we've made progress in growing the industry, raising awareness and understanding, and developing standards and practices. Through these awards and through all our efforts, we continue our commitment to making the practice of HR Transformation and Outsourcing a dynamic and highly professional field.

I look forward to seeing you in Brussels!
